POWERED BY OUR COMMUNITY PARTNERS

FOUNDED IN 1996 BY VISIONARY & LEGENDARY NASA JSC DIRECTOR GEORGE W. S. ABBEY, THE LONGHORN PROJECT IS A 501(c)(3) NONPROFIT ORGANIZATION. ALL PROCEEDS SUPPORT OUR EDUCATIONAL PROGRAMMING, LIVESTOCK CARE, AGRICULTURAL OPERATIONS, AND ABILITY TO SHOWCASE LONGHORNS FOR BREEDERS AT TLBA & ITLA SHOWS ACROSS TEXAS AND SURROUNDING STATES, SHARING THE LEGACY AND IMPACT OF THIS PROGRAM WITH YOUTH AND COMMUNITIES FAR AND WIDE, WHILE EMPOWERING YOUTH TO BECOME TOMORROW'S TRAILBLASERS IN AGRICULTURE AND STEM.
